Vari-flo Cluster Washers

CW060 Cluster Washer. 45mm Rubber Cups. Suits 40mm S/S
CW061 Cluster Washer. 45mm Rubber Cups. Suits 50mm S/S

- Simple to install. Easy to use, simply push teat cups into rubber cups
- Fitted with rubber cups to protect and extend the life of your liners.
- Manufactured from impact resistant modern plastics for optimum hygiene and durability
- Inverted operation ensures minimal invasion from external dirt during cluster washing
- Variable flow control up to 8 litres per minute.
- Wash flow rate can be individually calibrated by adjusting the central screw insuring a well balanced wash system.
- Suitable for use on all types of installation with overhead wash lines.
- For use on 40 mm or 50mm wash lines.
