

CONTROL FLIES THIS SUMMER WITH THE BARN KOOLER® FAN & MIST KIT

**REDUCES
HEAT AND
INSECT
STRESS**

EF01

(Patented)

from...

- More than twice the air flow and a wider air stream than funnel or basket fans, at 14,445 m³/hr.
- Balanced blades prevent noise and vibration.
- Maintenance free, heavy duty ball bearing motor, 230v AC run from a 13amp supply.
- A light spray of water combines with the fan action to produce a gentle cooling mist.

**AIDS
COOLING
BY UP TO
25°F**
