

Milk Warmer Thermostats and Sensors

TI2523

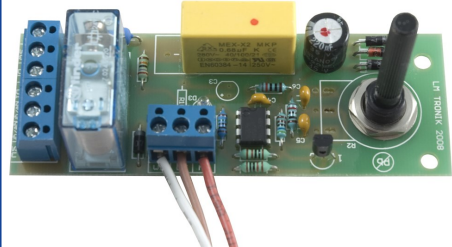

REV: A

MW11 (Old NLA)

The grey twin handle milk warmer with a black PTFE coated element.

MW19 (Old NLA)

MW13 (Old NLA)

MW17 (Old NLA)

MW19 (Latest)

MW19 Wiring

Anschlussplan:
Connection plan:

- 1 Schutzleiter PE (Gelb/Grün)
Protective conductor PE (yellow/green)
- 2 Schutzleiter PE (Gelb/Grün)
Protective conductor PE (yellow/green)
- 3 Heizelement (Schwarz)
Heating element (black)
- 4 Heizelement (Schwarz)
Heating element (black)
- 5 230V N (Blau)
230V N (blue)
- 6 230V L (Braun)
230V L (brown)

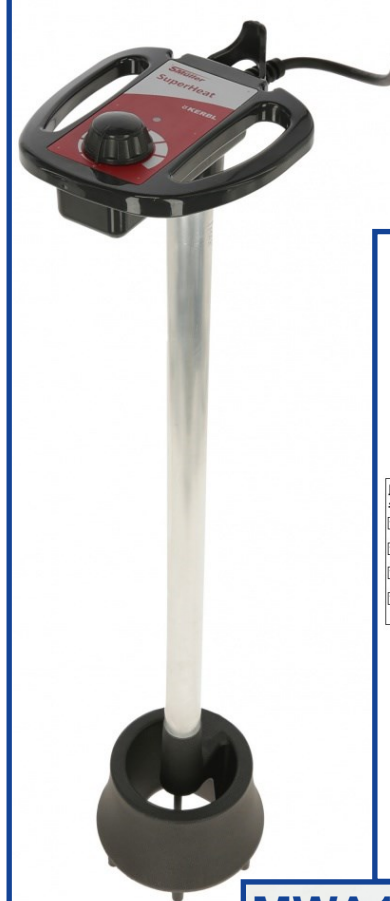

Fühler-Anschluss:
Sensor-connection:

- 10 Weiß
white
- 11 Rot
red
- 12 Schwarz
black
- 13 Braun
brown

ACHTUNG!:
Caution:

Schalter richtig setzen
Set the switch correctly

MWA11A (Latest)

The black twin handle milk warmer with a black PTFE heating element.

MWA19A Wiring

Anschlussplan:
Connection plan:

- 1 Schutzleiter PE (Gelb/Grün)
Protective conductor PE (yellow/green)
- 2 Schutzleiter PE (Gelb/Grün)
Protective conductor PE (yellow/green)
- 3 Heizelement (Schwarz)
Heating element (black)
- 4 Heizelement (Schwarz)
Heating element (black)
- 5 230V N (Blau)
230V N (blue)
- 6 Schmelzsicherung S (Weiß)
Safety fuse S (white)
- 7 Schmelzsicherung S (Weiß)
Safety fuse S (white)
- 8 230V L (Braun)
230V L (brown)

Fühler-Anschluss:
Sensor-connection:

- 10 Weiß
white
- 11 Rot
red
- 12 Schwarz
black
- 13 Braun
brown

ACHTUNG!:
Caution:
